BBX Capital acquires largest specialty candy retailer -- IT'SUGAR(R)

FORT LAUDERDALE, FL -- (Marketwired) -- 06/19/17 -- BBX Capital Corporation ("BBX Capital" or the "Company") (OTCQX: BBXT)(OTCQX: BBXTB) announced today that it has acquired IT'SUGAR, LLC ("IT'SUGAR") for a purchase price of approximately \$57 million, net of cash acquired. Headquartered in Deerfield Beach, Florida, IT'SUGAR is the largest specialty candy retailer in the United States with 95 locations in 26 states and Washington, DC.

During the trailing twelve months ended April 30, 2017, IT'SUGAR generated net revenues of \$78.4 million and adjusted EBITDA of \$6.8 million. BBX Capital's investment in IT'SUGAR represents 93% of IT'SUGAR's membership interests. Jeff Rubin, IT'SUGAR's Founder and Chief Executive Officer, will remain in his current position and continue to hold a meaningful membership interest.

IT'SUGAR will operate within the BBX Sweet Holdings vertical. While the acquisition is not expected to generate net income in the short term, the Company's acquisition is expected to be immediately cash flow accretive to BBX Capital and will expand the Company's retail confectionary footprint, which includes Hoffman's Chocolates, to more than 100 locations. On a pro-forma basis, BBX Sweet Holdings' wholesale and retail annual total revenues for 2017 are anticipated to be between approximately \$110 million and \$115 million. The Company believes this acquisition further solidifies BBX Sweet Holdings as a leading player in the confection industry. In addition, BBX Capital currently plans to further expand IT'SUGAR by opening new retail locations in high traffic leisure locations.

"We are pleased to announce our investment in IT'SUGAR and believe the business is an excellent fit with the growth strategy of BBX Sweet Holdings," commented Jarett Levan, President of BBX Capital. "IT'SUGAR has had great success expanding its presence across the United States as a modern day candy playground, and we are very pleased to partner with Jeff Rubin and the IT'SUGAR management team to support continued expansion of its retail footprint and grow the brand in other channels."

"I am very excited for IT'SUGAR to join the BBX family of companies. IT'SUGAR will benefit from the industry knowledge and resources of BBX Capital to support our vision for growth," said Jeff Rubin, Founder and Chief Executive Officer of IT'SUGAR.

Stifel acted as exclusive advisor to BBX Capital on the transaction.
